Half Step

halfstepbar Who doesn't love Happy Hour? We realize that as the days get hotter, it's harder to make it out as early during the weekend. Well in our efforts to persuade you otherwise, we are officially extending our Happy Hour to 7 days a week!

That means you can try any of our discounted cocktails and new offerings, which includes our Pitchers of Paloma's, all the way through Saturday and Sunday. There's no stopping the sizzling heat this summer, but that doesn't mean we can't fight it off with some cold & delicious crushers for the patio. 🍹 😊

Our new Happy Hour times include:

Monday thru Friday from 4PM til 7PM
Saturday & Sunday from 12PM til 4PM

See y'all out there! ☀️
